

We need your voice to:

A 30 bed in-patient psychiatric rehab facility from being built NEXT to a 300 Child Day Care Center - Hickory Dickory Tots.

A 30 bed in-patient Drug / Sex Rehab Facility being built across the street from the PYO Baseball Complex with 200 kids/day and 1,000 on Saturday.

The approval of an unsecured 12 acre complex scheduled to be built next to DQ, McDonalds, & the homes on Tara Drive.

We need the Butler County Planning Commission & the West Chester Township Zoning Commission to approve a recent Zoning change which has been adopted by the West Chester Trustees. This Zoning change approval would require the Rehab Facility folks to seek local approval before construction can begin on an unsecured 12 acre complex scheduled to be built in the backyard of the homes on Tara Drive, of PYO and of Hickory Dickory Tots.
